I. History, Purpose and Structure of the Association

The Association's purpose is to protect and preserve Eagles Mere Lake for the benefit of the community and Association members and guests and to operate the lake facilities for members and guests. The Association is a non-profit corporation. Since it is operated primarily for the benefit of its members, it is not, however, a tax-exempt organization. In 1961, a group of Eagles Mere property owners incorporated the Eagles Mere Association as a Pennsylvania non-profit corporation. The Association acquired the stock of the Eagles Mere Land Company and the Eagles Mere Boat Company. Through these companies, the Association owns Eagles Mere Lake, including the "Outlet Pond," a strip of land approximately 100 feet wide around the lake and the pond and additional Eagles Mere property. (A map showing most of the property owned by the EMA is at the end of this Guide.)

The Bylaws of the Association govern the membership, voting and operation of the Association. While the Bylaws are the ultimate authority on these topics, a brief summary of the basics is as follows: "Shareholder" members own property in Eagles Mere and are entitled to a vote. "Associate" members own property or live in Eagles Mere and are entitled to the benefits of and participation in the Association but do not vote. "Temporary" members are primarily renters or hotel guests. See Article III.

The Association is governed by 15 Trustees five of whom are elected at each annual meeting in staggered terms for a term of three years. The annual meeting is typically held in August at the Borough Hall. Articles VIII and IX.

The officers are the President, one or more Vice Presidents, a Secretary and Treasurer. The President is CEO of the Association. Article X. The Association Manager is appointed by the Trustees and is the Chief Operating Officer of the Association and general manager of its operations. Article X. The Association Manager directs operations and supervises:

- A Beach and Lake Director and an Associate Director who supervise the lifeguarding staff.
- A Docks and Boat Services Supervisor who is responsible for the supervision of all EMA docks and boating services and activities.
- A Property & Launch Supervisor who is responsible for the care and maintenance of EMA property and the operation and maintenance of the Hardly Able.
- A Lake Ranger who conducts evening and night patrols of Association properties.
- The operator of the Beach Shop who is a subcontractor selected by the Association.

- An Edgemere Dock Supervisor who is responsible for the supervision of seasonal boating activities the Edgemere boat dock.

There are six standing committees of Trustees:

- The Executive Committee, which acts for the Board between meetings.
- The Property Committee, which is responsible for the Association's physical facilities.
- The Operations Committee, which is responsible for the use and maintenance of the Association's physical facilities, watercraft and equipment and the conduct of beach and lake activities.
- The Finance Committee, which is responsible for the fiscal management of the Association.
- The Membership Committee, which recommends new members to the Board of Trustees.
- The Rules Committee, which is responsible for interpretation of the Bylaws and development of the rules of the Association.

The Trustees establish the rules and regulations governing the operation of the Association and the use of Association Facilities. The Association prefers to have as few rules as possible, relying on the good sense of members and guests in the use of the facilities. But some rules have proven to be necessary. These are in Section IV.

INTERPRETATIONS OF EMA RULES AND BY-LAWS

1. **Use of EMA Facilities by Renters and Guests** --There must be a paid membership (Active or Associate) including Lake Protection Fees in force on a residence before any renters or guests of such residence are eligible to use EMA facilities. If used, such renters or guests must pay applicable fees. (Adopted July 1, 2000).
2. **Multiple Residence and Resident Fees** - If an individual owns two or more residences (an Inn or B&B defined as a residence also), only one residence will be eligible for resident rates on the theory that a person can be a resident in only one residence. Additional residence(s) will be subject to non- resident rates. (Adopted July 1, 2000).
3. **Multiple Residences and Membership** - If more than two residences are owned by an individual, Associate Membership Status will apply to additional residences indefinitely due to EMA's two share limit. (See interpretation No 8. for multiple residences which may be jointly owned.) (Adopted July 1, 2000).
4. **Use of Facilities by Owners and Guests of Inns, Lodges, B&B's** -- If an owner of an Inn, Lodge, or B&B resides in the facility, the share applicable to the owner(s) is sufficient also to permit access to EMA facilities by guests of such facility as long as applicable guest fees are paid. If the owner of such facility resides in a separate residence and such owner desires personal (family) use of EMA facilities, a separate share must be owned for the separate residence(s). (Adopted July 1, 2000).
5. **Transfer of Shares** - Shares are only transferable to members of a shareowners's immediate family and only when the prospective owner becomes the owner of the residence to which the original share applies, (adopted July 1, 2000).
6. **Transfer of 1/3rd Shares and Grandfathered Shares** - The new owner of a residence to which a one-third share applies will be eligible for shareholder status. However the new owner will not be eligible to own a fractional share unless the new owner is a member of the immediate family of the original fractional share owner. The ability of a new owner of a residence to which shareholder status applied to the previous owner will have a limited period, five years, to apply for shareholder status if the residence is outside the Borough but within the area described as the Greater Eagles Mere Area (GEMA). Adopted July 1, 2000)

7. **Lake Protection Fee** -- Payment of the Lake Protection Fee shall entitle members, members guests and renters of member's property full access to EMA property and facilities, including (but not limited to) the lake, the beach, and the Laurel Path. Selective use of EMA properties is deemed not to be reason for any member, Member's guest, or renters of a member's property to pay less than 100% of the Lake Protection Fee. Renters of a Member's property must, in addition, pay applicable renter fees (Adopted May 26, 2001).

8. **Shares for Multiple Residences** - No person may have his or her name appear on more than two shares. However, if a person owns more than two properties that would otherwise qualify for member-ship and one or more of the properties are owned jointly, a third and possibly a fourth share may be issued so long as an owner is not named on more than two shares. For example, if a husband and wife owned three properties, one share could be issued to each spouse separately and a third share could be issued jointly. One one share would qualify for resident rates, however. Ownership can be evidenced only by the appearance on the deed of the share applicant. (Adopted May 26, 2001).

9. **Purchase of Shares by Authorized Entities** -- The revised By-Laws adopted August 25, 2001, permit a share of stock to be held by a trust instead of by only a natural person. On August 22, 2015, the Trustees proposed an additional revision to permit limited liability corporations and partnerships formed primarily for the benefit of natural persons to hold a share of stock in the Association. The following points indicate how shares owned by trusts, limited liability corporations and partnerships (Authorized Entities) will be administered. (Adopted August 22, 2015)

1. If approved for membership by the Board of Trustees, the Authorized Entity will be recognized as the owner of the share.

2. In order to be considered for membership in the Association, the Authorized Entity must issue to the Association a letter naming up to two persons who will represent the Authorized Entity who will derive the benefits of its share.

3. Those persons named are not required to be beneficiaries or owners of the Authorized Entity.

4. Before the Authorized Entity is granted membership in the Association, the person(s) named as representative(s) by the Authorized Entity must be approved by the Board of Trustees as would any applicant for a share.

5. The person(s) named by the Authorized Entity to be its representative(s) may vote its share.

6. Membership benefits will be extended to the designated representative(s) and their families as determined under the rules of the Association.

7. The rules to determine eligibility for "resident rates" and other rates will be applied to. Authorized Entities. An Authorized Entity will not be eligible for such rates unless all persons named by the Authorized Entity as representatives are eligible for these rates.

8. Shares owned by the Authorized Entity will have the same privileges regarding renters and guests as other shares, and will be governed by the same rules.

9. The person(s) named to represent the Authorized Entity can be changed no more than once per year. Before An Authorized Entity may change its designated representative(s), it must seek and obtain approval of the replacement representative(s) by the Board of Trustees.

10. Notice of Bills and Fees due will be sent to those person(s) named as representatives by the Authorized Entity,

10. **Purchase of Shares by Members Who Already Own Two Shares** - When an Associate member is offered a share for purchase, such Associate Member must purchase such share if not already an owner of two EMA shares. If such Associate Member is already an owner of two EMA shares, such Associate Member may voluntarily or by EMA rule remain on the Associate Member list with respect to additional residences and maintain all EMA privileges with respect to such additional residences so long as all conditions of EMA membership with respect to such additional residences are met. If there is a change in circumstances and such Associate Member subsequently decides to purchase the previously passed-on share, the Trustees will issue such share when shares are next offered so long as all the rules regarding the issuance of said share are met. (Adopted July 6, 2002)

11. **Transfer by Owners of Two Shares Supporting a Single Property** -- Owners of two shares supporting a single property incur annual Association fees for a single share. When one or both shares are transferred so that both are no longer held in the same names, both shares incur annual association fees. For example, if parents with two shares give them to their four children so that two children are co-owners of each (along with transferring title to their property to the children), Association fees will be due for each share. (Adopted February 15, 2003).

12. **Apartment Residences** - If there is an apartment, or apartments in a building and if the apartment is rented to someone who is not a family member, the apartment(s) must be covered by the member through ownership of a share per unit rented if the occupants wish to use EMA facilities. (Adopted May 29, 2004)

13. **Requirement for Ownership of a Residence in the Borough of Eagles Mere** - Section 3.03 of the By-Laws provides that associate membership requires ownership of a residence in Eagles Mere. (Full time residents of the Greater Eagles Mere Area are also eligible for membership.) Ownership of a residence in "Eagles Mere Borough" means that the house is physically located entirely within the Borough. Ownership of a parcel of land, a portion of which is in the Borough, will not qualify the owner for membership unless the house on the parcel is within the Borough. (Adopted October 8, 2005)

14. **Temporary Membership Fees for Guests Without the Member Present** - When a Member allows friends, or guests or non-immediate family to use the member's house without the member present, those individuals, if they wish to use Association property are required to

become Temporary Members and pay temporary membership fees. Immediate family not staying with the member, but staying in the member's house, are not required to pay such fees.

IV. Rules

A. Rules For Temporary Members and Guests.

1. No Member can extend any rights or privileges to use the properties or facilities of the Association. This is the sole prerogative of the Association. Temporary Member or Guest rights and privileges will be extended by the Association only when requested to do so by a Member or Temporary Member in good standing. Such extension will be evidenced by the registration of the person as a guest of the Association.
2. As stated in sections 3.01 and 3.04 of the Bylaws, "Temporary Members" are persons (including Inn guests) who are renting for twelve weeks or less a residence or cottage, located in the Eagles Mere Area, owned by a member in good standing who has paid the Lake Protection Fees and Basic Annual Fees at the seasonal rates for the property being rented. 3. It is the Member's responsibility to assure that Temporary Members and guests sponsored by them know and follow Association rules. This is particularly important for Temporary Members who are Inn guests and guests of renters. Temporary Members must register at the Beach Office at the beginning of their stay during the summer season.

7. The Association may refuse to extend privileges to any person if in the judgment of an officer of the Association or his/her delegate such registration is not in the best interests of the members of the Association.
8. Temporary membership fees shall be charged based on the sleeping capacity of the cottage being rented. The privileges covered by the payment of a single Temporary Membership fee will be for the rental period only, and will extend to the immediate family of the Temporary Member listed on the application, and guests who are staying in the cottage while the Temporary Member is in residence.
9. Personal guest privileges do not require the payment of additional Basic Annual Fees or Lake Protection Fees.

 - (a) Persons who are in arrears in the payment of dues, fees, or other charges.
 - (b) Persons who are renting a cottage or residence in the Eagles Mere Area for which the current dues, fees and charges of the Association have not been paid.
 - (c) Persons who have been suspended by the Association for cause.
 - (d) Any other persons who qualify for Active Membership in the Association and who would be using the Personal Guest privileges to avoid payment of properly chargeable dues, fees or other charges of the Association.
 - (e) Notwithstanding the foregoing, any person may be extended personal guest privileges for not more than a total of five (5) days in any calendar year if he or she is duly registered and vouched for by a member in good standing.

B. Rules For Use Of Association Properties And Facilities.

1. All applicable local, state and Federal laws shall be complied with completely. No action or lack of action by the Association shall be deemed to prevent the enforcement or application of any such laws.
2. All persons using any of the properties or facilities of the Association shall comport themselves in an acceptable manner. When using EMA facilities and property, Members and their guests are expected to respect the personal rights of their fellow Members and guests and not create or contribute to any undue noises or other actions or behaviors that are an annoyance to Members and guests in nearby cottages, or that interfere with the ability of other

Members and guests to enjoy the properties and facilities of the Association without undue disturbance, harassment, intimidation, or threat to their safety and well being.

3. The path around the lake (the Laurel Path) is maintained for the enjoyment of all and considerable effort and money is expended to maintain this path. Snowmobiles and all-terrain vehicles are prohibited from using the Laurel Path or the lake.

4. None of the properties or facilities of the Association may be used for camping, cookouts or other forms of habitation except with prior written permission from an officer or delegate, and this only for the period and under the conditions of such permission.

5. The Eagles Mere Association is dedicated to preserving its' property in as natural a state as possible, while still providing members and guests access to its' woodlands and lake for recreational activities. The shoreline of the lake and the 100 ft. reserve, including the Laurel Path, will be maintained as a natural watershed and preserve in which;

(a). The harvesting of plants and hunting or trapping of animals is prohibited, unless necessary to control invasive or endemic species that pose a threat to the natural environment.

(b). The storage of any materials, dock sections, furniture, boats, construction materials or debris, etc, is prohibited on Association property, unless approved by the Association.

(c). The creation or placement of any type of structure on EMA property, or the landscaping or modification of EMA property, is prohibited unless approved by the EMA Board.

Permission for the storing and use of such beverages can only be given in writing by persons authorized by the Board of Trustees. Alcoholic beverages are not permitted in the beach area.

7. No cutting, trimming, or damaging of any trees and shrubs shall occur on Association property, including the one hundred (100) foot reserve around the Lake, except with the prior authorization of the Chair of the Property Committee or the Board.

The Beach

8. Roughhousing, fighting, and rowdiness, and the use of profanity, foul or obscene language will not be tolerated.

9. Sports that might interfere with the enjoyment of the beach by others shall be carried out on the athletic field and other areas remote from the beach. Only beach type balls, tennis balls and nerf type balls are allowed on the beach. Activities involving bats, sticks, clubs or hard balls are prohibited in the beach and beach lawn areas.
10. No child under nine (9) years of age shall be permitted in the beach area unless accompanied by a person at least fourteen (14) years of age who shall take full responsibility for the supervision and safety as well as the conduct of the younger child.
11. The safety rules as posted on the beach house by the Beach and Lake Director shall be applicable to all persons using the beach. The directions of the life guards and the Beach and Lake Director and Assistant Director are final.
12. Any person authorized to use the beach may be evicted from the beach area by the Association Manager, Beach and Lake Director or his or her delegate, but any suspension or termination of beach privileges or other privileges for more than a twenty-four (24) hour period shall be subject to affirmation by the Operations Committee Chair or an officer of the Association. Any person not authorized to use the facilities of the Association shall be evicted from the properties of the Association by any officer, trustee or employee of the Association.
13. Any person wishing to swim across the lake or some shorter distance outside the roped off area must obtain the permission of the lifeguards or Beach and Lake Director or Assistant Director, and must be accompanied by a "safety boat", a row boat or canoe containing at least two (2) persons.
14. During the summer season, when lifeguards are on duty, swimming in the lake is authorized only in the designated roped off area at the beach. At any other time any swimming is done solely at the risk and responsibility of the person doing so.
15. Naked bathing or swimming in the lake at any time is prohibited.
16. No dogs or other pets will be permitted in the beach area at any time, except that persons walking the Laurel Path may take dogs on leashes through the beach area provided that the dogs are not permitted to delay in the beach area and are not permitted in or near the sandy part of the beach. Dogs on the Laurel Path or other Association property must be on leashes during the season and on weekends from Memorial Day to Columbus Day. Dogs are permitted in the lake from Gypsy Landing south around the lake to Bailey's dock.
17. The use of diving boards or any other water apparatus or toys, and conduct on the docks and in the water will be policed by the lifeguards and their orders are final. Socializing with lifeguards to a degree which interferes with performance of their duties is prohibited.

18. Beach umbrellas are not allowed in the sand part of the beach area. They are to be used only on the lawn areas. Beach type inflatable watercraft are not allowed in the lake beyond the roped off swimming area.
19. The washing of persons or pets in the lake is prohibited.
20. The Beach and lawn, and all associated areas and buildings are no smoking areas, as are the Hardly Able Launch and all EMA boat houses and docks.

Boating and Fishing

21. Each boat using the lake, or stored on Association property, must be registered with the Association and carry the current annual Association sticker affixed to the craft. The Association may refuse to register any boat. Boaters are required to obey Pennsylvania Fish and Boat Commission rules and regulations regarding the use of watercraft, including having on board a life vest for each occupant.
22. Only boats owned by members of the Eagles Mere Association are allowed on Eagles Mere lake or property. Renters and guests are prohibited from using their personal boats on the lake or pond. Members are prohibited from registering boats owned by non-members. (With the approval of the EMA Board of Trustees, non-member boats may be allowed access to the lake for special events or occasions).
23. Only Traditional Watercraft, sailboats, canoes, kayaks, rowboats, windsurfers, and stand-up paddle boards that do not exceed 19 feet in length or 4.5 feet in width, are allowed on EMA waters. Pontoon boats, catamarans, party boats, jet-skis, rafts, or float tubes of any type, are prohibited from being used on the lake or pond, except that beach type inflatables and tubes are allowed in the swimming area. On a case-by-case basis, members may petition the Board for an exception to register other types of "novelty" boats that do not conform to the definition of a traditional watercraft. Those boats that do not conform (such as paddle boats and rowing shells), but had been registered prior to January 1, 2012, will be "grandfathered".
24. Mooring and docking spaces shall be allocated by the person in charge of the boat dock. Generally, space will be allocated on a first-come/first-serve basis, with preference being given to boats for which storage charges have been paid. Boats may be rigged on the main beach house boat dock, but may not remain there. The "visitors' dock" which is to the immediate right (west) of the beach is where visitors may pull up their boats. No boats with the exception of canoes, sailboats and row boats may be permanently moored at this dock.
25. No internal combustion motors are permitted in any boat on the lake except for the "Launch" and the lifeguard boat owned by the Association. Electric "outboard" motors are allowed, but they must be registered with the Association and must have affixed to the control housing a current annual Association sticker.

26. No boat of any kind shall be operated in a way that is dangerous to the occupants of that boat, to other persons, or to any other boat or its occupants. The orders of the Beach and Lake Director, lifeguards or the operator of the launch shall be followed at all times and any of them can order any boat off the lake, if in their opinion it is being operated in an unsafe manner or by a person not competent to operate it.

27. When sailing races are being conducted, entrants in these races are to be given right of way. All other craft must stay clear of the course and avoid any interference with the races.

28. Unauthorized use of any boat or any vandalism to a boat will make the culprit liable to suspension or termination.

29. It is strongly recommended that no person take a boat, particularly a sailboat, out on the lake unless there are other boats on the lake. This is particularly important before or after the season, since at these times most boats are stored and, in event of an accident, make a rescue difficult.

30. The Association accepts no responsibility, and does not provide insurance coverage, for boats moored, docked or stored on Association property. The Association will not rent privately owned boats.

31. Boats, except for "safety boats" accompanying swimmers, will not be operated on the lake during the July and August lake swims.

32. All laws and regulations of the Pennsylvania Fish Commission apply to everyone fishing in the lake. Fishing in the lake is limited to Members of the Association and their Registered Guests, except that non-member year round residents (as defined in the EMA By-Laws) living in the Eagles Mere Area are also permitted to fish in the lake, provided they fish from the shore and comply with the Pennsylvania Fish Commission laws and regulations and these rules and regulations. Such non-member persons may not extend this privilege to any guests. No ice fishing is permitted at any time by any person.

33. Since the lake is stocked with trout through the generosity of some of the members, it is requested that persons over twelve (12) years of age refrain from killing and keeping any trout less than twelve (12) inches long.

34. While not a requirement, the Association encourages the use of artificial lures and catch and release practices when fishing for trout.

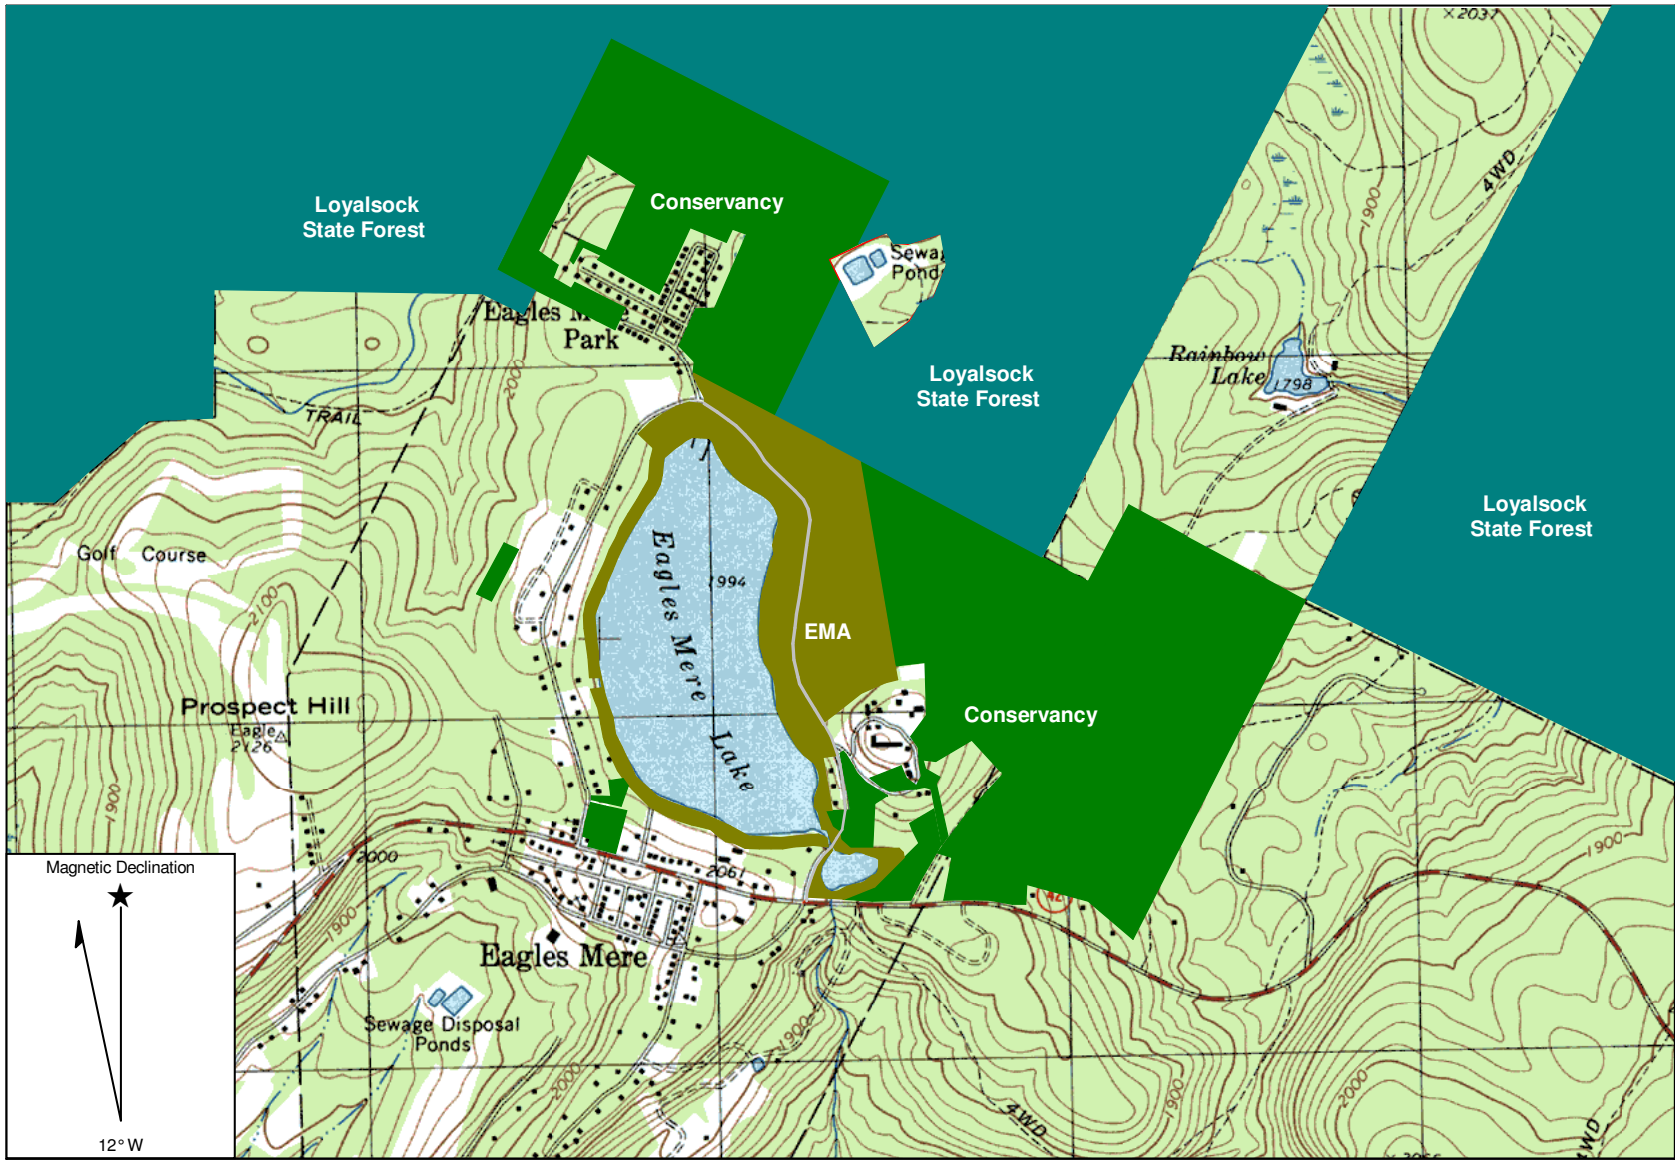

35. The use of aquatic organisms for bait that are native to northeastern lakes and streams is prohibited in the lake and pond.

Windsurfers.

- (a) A vest-type personal flotation device must be worn while on a windsurfer.
- (b) Windsurfers should be used only when lifeguards are on duty.
- (c) Windsurfers should not be used during scheduled sailing races.

C.Fees

1. The fees set forth in the annual Fee Schedule are designed to raise funds to enable the Eagles Mere Association to operate on a "break even" basis.
2. The Basic Annual Fee represents the cost of preserving and maintaining the properties and facilities of the Association, as separate from the cost of operating those facilities. Since this is a "basic charge" applicable to all members, its payment is a requirement of membership.
3. The Lake Protection Fee covers costs of the Association's operations. This charge must be paid by all of those who use the lake or the beach.
4. The other fees attempt to allocate the financial load equitably among those who make use of the Association's various facilities.
5. All Association bills shall be paid within sixty (60) days from the date of invoice. A discount of five percent (5%) of the bill will be allowed on annual bills paid by the prescribed date. A penalty of five percent (5%) will be assessed on late payments. In the event it is necessary to suspend or terminate the privileges of a person or persons, the Association will refund fees or other charges. In the event a share of stock is not redeemed by a shareholder who is in arrears in any amount owed the Association, the arrearage will be deducted from the redemption price.
